

## Flexible Reporting - Unable to export data with more than 256 columns

---

### PROBLEM

You can not export flexible report data with more than 256 columns. This will likely only be seen in multi-device reports.

### RESOLUTION

Reduce the number of columns in the report by removing those that are not needed.

### APPLIES TO

MiCC Version 8.0 and newer.

**Keywords:** flexible reporting flex export exporting 256 columns
