

## 6.0 IQ to IVR Migration Wizard error on Schedule conditions: Missing Operand for 's' operator

---

### PROBLEM

The IQ to IVR Migration Wizard throws an error on Schedule Conditions.

### SYMPTOMS

Syntax error: Missing Operand for 's' operator

### CAUSE

The system does not allow apostrophes in the names of Schedule Conditions.

### WORKAROUND

Remove any apostrophes in your IQ Schedule Condition names, then re-run the Migration Wizard.

### RESOLUTION

Issue will be addressed in 6.0 SP1

### APPLIES TO

IVR 6.0

**Keywords:** IQ IVR Migration Syntax Operand
