

6.0.2.0 - Life Cycle reporting, "Phone Number" field limited to a maximum of 11 digits

PROBLEM

In Life Cycle reporting, if a phone number is longer than 11 digits, it will display as scientific notation instead of the phone number (eg: *9.0170E 11*)

RESOLUTION

We plan to have this issue resolved in our upcoming Atlantic release.

Internal Reference Number (TFS) 101631

APPLIES TO

6.0.2.0

Keywords: life cycle reporting phone number maximum digits
